Years 5 & 6 7.30-8.30p,

# Science Week 2018

Monday 29<sup>th</sup> October - Friday 2nd November

## Exploration and Discovery

During Science week we will encourage children to think about how discoveries have changed the world we live in and helped us to understand it better

Science is such a big part of our daily lives. It helps us answer tricky questions, understand how to live healthily and gives us information so that we can make informed decisions.

During Science week we would like children to investigate and ask questions e.g.

- How do we travel in space?
- How were antibiotics discovered?
- How do clouds make rain?
- Why do we get rainbows forming when oil is spilled in puddles?

**DISCOVER**

**EXPLORE**

**EXPERIENCE**

Each year group will have a different focus:

- EYFS - Make and Mould
- Year 1 - Sensational Seasons
- Year 2 - Biscuitology
- Year 3 - Shifting Shadows
- Year 4 - Wonderful Water
- Year 5 - Discovering Digestion
- Year 6 - Changes Through Time

During Science week all children will also experience:

- A science show by: 'Fizz Pop'
- An interactive science zone set up in school

Also, First Aid training for Years 2,3,4,5 & 6 from St John's Ambulance

### Invention Competition

Are you the next Edison or Dyson?

Can you develop an idea to change the world?

Submit your ideas for an invention (A poster with a labelled diagram or a model with instructions)

Closing date Wednesday 31<sup>st</sup> October.

All entries need to have name/class and be handed in to your class teacher. Prizes will be awarded during River of Learning Assembly on Friday 2<sup>nd</sup> November

For half an hour after School on Thursday 1<sup>st</sup> November parents and carers are invited in so that the children can show you their learning.

Extra resources /visitors are required for this fabulous week's experience and we would like a contribution from each child towards costs, payable by Pluspay:

EYFS/Year 1 £1.50

Years 2-6 £2.50
