This year we are running meetings for anyone who would like to work as a parent volunteer in school; volunteers who work regularly in school (although all are welcome).

Please could you attend one of the meetings over the next two weeks where we will provide you with safeguarding training as an induction to you working on a regular basis with the children.

If you are unable to attend but would love to help please contact the Office with times that you are available as another meeting could be organised if needed.

Thank you.

Friday 21st September Harvest Festival Assembly  
Donations should be handed in to class.  
A list of recommended items is attached on page 4

## Bike Shed & Scooter Storage

It has been brought to our attention that some bikes and scooters have been damaged by children playing in the bike shed before the start of school.

The bike shed is not a play area, and we would ask that parents ensure that children park their bike and leave the shed, and to wait in the appropriate area to enter school.

Scooters should be parked in the designated scooter storage, not the bike shed, as they often tip over and scratch the bikes.

Thank you for your co-operation.

## Collecting children at the end of the day

Could we ask parents to stand further back at the end of the day so that teachers and children can clearly see you. It may also help if you stand in the same place each day so that children know where to look for you and to avoid any unnecessary worry for them. Thank you.
