Wednesday 31st October	Parents Forum—9am—main hall—all welcome! Subjects for discussion—children's behaviour and social media communication review.

Parking

We fully appreciate how difficult it can be to park near school, however certain practices have been noted of late that are causing concern with regard to children arriving and departing school in a safe manner.

We have also received numerous complaints from local residents affected by people parking in an inconsiderate way, so can we ask that:

1. Parents park up correctly in off-street parking spaces and switch their engines off. Good parking not only helps to keep our roads clear but turning off the engine also means less pollution which is good for the environment and our health.
2. Parents parking across driveways. Obviously not good practice, and in fairness would you like someone to park across yours?
3. Speeding—We are very concerned about the speed of traffic in both Old Manor Road and North Lane. Please note the 20 mph signs to indicate the school safety zone—they are there for a reason. We don't want it to take an accident to make people slow down!

Thank you for your co-operation.

Lost Property

Beautiful pink baby sock seeking sole mate!
Will be waiting for matching partner in school reception.
Thank you.
