

Rustington Community Primary School

Nurturing Children in our Community

Equality Objectives 2018-2022

Rustington Community Primary School is part of the Schoolsworks Academy Trust. As such, the trust has over-arching responsibility for many aspects of the school's work, including its work to ensure equality for all people who both work for the trust, and make use of its schools.

These equality objectives are specific to Rustington Community Primary School, and should be read in light of the trust's Equality Statement, and its Equality and Diversity Policy. Both of these policies can be access on the Schoolsworks website at schoolsworks.org.

Rustington Community Primary School is committed to ensuring equality of provision throughout the school community. To achieve this, our equality objectives for 2018 - 2022 are as follows:

- To promote understanding and respect for differences
- To narrow the pupil premium gap in reading, writing and mathematics in all year groups
- To ensure that children in the care of the local authority achieve as well as their peers by the end of KS2
- To narrow the gap in attainment in reading, writing and mathematics between boys and girls by the end of KS2

The school already undertakes work to closely monitor the progress of all its pupils, and to put in place interventions to support pupils who are at risk of not reaching the targets set for them. These processes will be used to ensure that those identified in the equality objectives are supported to achieve the goals set.

Progress against these objectives will be reviewed annually.

Effective date: December 2018

Review date: December 2019
